

SA-356R/SA-358R High-end ceiling speaker

It is high-end 8Ohm 100W ceiling speaker with two speaker unit, It is ABS steel back cover. Easy and secure ceiling installation. It is an ideal choice for industrial and commercial applications in hotel, government meeting room, hall, office, bar etc.

Technical parameters

Model	SA-356R	SA-358R
Frequency response	80Hz~20KHz(± 3 dB)	70Hz~20KHz(± 3 dB)
Number of units	LF:1x6.5"(1"voice coil),HF:1x1"(1"voice coil)	LF:1x8"(1"voice coil),HF:1x1"(1"voice coil)
Nominal impedance	8 ohms	8 ohms
Withstand power	60W	100W
Maximum power	120W into 8ohms	200W into 8ohms
Directivity	90°Hx90°V	90°Hx90°V
Maximum sound pressure level	113dB/1m	116dB/1m
Sensitivity	95dB	96dB
Box body plate	ABS steel back cover	ABS steel back cover
Connection socket	Two spring sockets	Two spring sockets
Size	$\Phi 265 \times 223$ mm	$\Phi 280 \times 260$ mm
Mounting hole size	$\Phi 223$ mm	$\Phi 245$ mm
Net weight	5kg (1pcs)	6kg (1pcs)
