

SA-7011(A) IP Voice Coding Terminal

Feature

1. Standard cabinet type 1U structure design, black aluminium oxide brushed panel.
2. Built-in audio acquisition and coding module, analogue audio can be acquired to any terminal of IP network broadcasting system, audio acquisition delay is less than 200ms.
3. 3-way (AUX) and 3-way (MIC) port input, each channel independent volume adjustment function, with treble (TREBLE) and bass (BASS) independent adjustment, MIC1 with the depth of the silent sound adjustment function.
4. Built-in MP3 player, the panel comes with function keys and LED digital screen, the function keys include the previous song, the next song, play/pause, mode switching, playback mode and intuitive display of the playback status.
5. Support BT/FM/USB card/TF card, audio capture support infrared remote control operation.
6. Four shortcut keys, can be customised to the terminal to play background music, quick and easy to operate, a key to play background music to the specified terminal or partition.
7. Support seamless access to sound equipment, can be used with CD players, FM tuners, card holders and other equipment.
8. Support hardware audio decoding, sampling audio hardware encoding, firmware support network upgrade, multi-channel source mixing, etc.
9. Support DHCP, compatible with routers, switches, bridges gateway, Modem, Intelnet.2G, 3G, 4G, multicast, unicast and any other network structure.
10. Fixed static IP address, when the network changes the address will not be lost, stable work.
11. The sound quality reaches CD level (audio file bit speed is 8-320kbps adaptive).

Technical parameters:

Network Interface	RJ45 transmission rate 10Mbps
Supported Protocols	TCP/IP, ICMP, IGMP (multicast) sampling rate 8K-48K, bit rate 8K-512Kbps
AUX Input Sensitivity	350mV
MIC Input Sensitivity	350mV
Frequency response	16Hz-18Hz+1/-3dB
Power consumption	3 W
Harmonic distortion	1%
Signal-to-noise ratio	75dB
Operating temperature	5 degrees -40 degrees
Support audio and video formats	MP3, MP4, WAV, MKV, FLAC, etc
Product size	482*250*60mm
Net weight	2.7KG
