

## SC-3220C/SC-3220D Embedded Digital Conference Chairman /Delegate Unit (With Touch Button)

Chairman unit SC-3220C

Delegate unit SC-3220D

### Product Description

Embedded design, the panel adopts brushed aluminum black plus acrylic touchpad, easy to operate, just press the speech request button to speak. Built-in speaker and headphone jack, clear sound quality, with volume adjustment knob.

### Features

1. Capacitive touch buttons, no mechanical button sound, waterproof, durable, easy to clean;
2. Cardioid directional condenser pickup, with two-color indicator light, red when speaking, flashing green when applying to speak, and removable during recess;
3. Microphone stem L: 420mm (standard configuration);
4. Improve the stability of the system by reducing the interference of strong electromagnetic waves on the wire;
5. The "hand in hand" serial connection mode is realized through the CAT6 kinds of network cables.
6. The unit is ultra-small, easy to install on armrests, various conference tables; easy to install and maintain;
7. Built-in full frequency limiter circuit;
8. The unit is a passive device, powered by the system host, and the input voltage is DC24V;
9. With camera tracking system & central control system, it can realize automatic camera tracking function;
10. Touch button sign-in function (used with software);
11. The chairman unit has the following conference control functions:
  - \* Approval of the speech application function of the delegate unit;
  - \* The speaking unit of the representative who is speaking can be forcibly closed;
  - \* It is not limited by the number of speakers and the speaking mode, and can be opened freely and is not limited by the installation position.

#### Technical Parameter

Power supply	DC24V (Power supply by conference host)
Frequency response	20Hz-20KHz
Channel crosstalk	>80dB
Signal-to-noise ratio	>80dB
Maximum power consumption	3W
Sensitivity	-46dBV/pa
Frequency response	20Hz-20KHZ
Input impedance	2.2K
Headphone volume	10mW
Hole size	72mm×32mm
Dimensions (mm)	80mm×40mm×30mm
Color	Black Brushed Aluminum
