10. With 3 × AA 1.5V battery, it can be installed and used immediately, and it can last for 6-8 hours.

Technical parameters

Model	SC-3602C/SC-3602D
Power source	DC 4.5V(1.5V*3)
Transmitting power	13mW
Pickup microphone	Capacitive, single directional
Microphone sensitivity	-43±3dB@1KHz
Frequency response	40-16KHz
Power consumption	150mA
Duration of continuous use	Chairman 8 hours
	Represents 8 hours
